Meeting started at 7:00

Old Business

Greg to bring new links down to prospect

Hopefully we can get these guys to start supporting the repeater

Avon DMR is still on local

Bruce is looking to try to use the Ham radio installation to get residential rates for the internet.

The Box Mountain repeaters are all now internet controlled.

Looking to move the German amplifier to Vernon.

The Box Mountain property has now been declared a "farm". The repeater site occupies a small portion of the Marcus property.

We would like to get a speaker to come in and address the club.

- John Ellsworth from the Vintage Radio and Communications Museum

- Possibly a presentation on the Gates conversion from Commercial AM to 75 meters.

Dana has done a lot of work in Torrington. Still need to tear down the old shack.
