

Feb. 2020 PVRA minutes:

Started at 18:27

- Prospect is fixed

- Internet

 Cox and Frontier from Mitchell Lane

 Comcast via microwave from Box Mtn

- Treasurer's Report

 Exp \$1181, Insurance, Rent

 Inc \$290, One renewal, and UTC donation

 Balance \$5663.19

-Looking for a way to promote amateur radio to kids; must be an app for a tablet or phone.

- Small Primer on Radio

- Problem with sound sources close to each other. Binaural hearing. People only hear the loudest radio. If you turn off the loudest radio, then the quieter radios appear to begin to work.

Lesson for the day: If you have good enough coverage, multi-path will not be a problem.

Meeting Closed 19:50.

Looking to move the meeting to another night to avoid conflict with Bears.
